I would like to apply for access to the dataset(s) indicated below. I have read the Agreement and agree to comply with the specified requirements.

1. Name of the Dataset: Extended Tripura University Video Dataset (E-TUVD)
2. Purpose of use (please describe the purpose of your research): I am doing research in visibility restoration of degraded images and I am interested to implement my methods in videos also. Kindly provide access to your datasets.

Agreement

1. I shall restrict my use of the dataset(s) to only the purpose indicated above.
2. In order to protect the confidentiality of the dataset(s), I shall not analyse the data in any way that will disclose the identity of individual respondents or organizations.
3. I shall not permit anyone other than a person authorized through this Agreement to gain access to the dataset(s), and I will not redistribute the dataset(s) to any third party.
4. When publishing the results of research that utilizes the dataset entitled Extended Tripura University Video Dataset (E-TUVD), I shall acknowledge the source of the dataset(s) in the form of citing following research articles.
